Letter No C1-1393/45-46 dt 8th May, 1946, from the Director of Food Supplies, requesting sanction for the appointment of a Storage Inspector on Rs. 100/- plus Rs. 20/- C.A. per mensem for attending to the Supervision of stocking etc. in the Twin Nissen sheds in Bangalore city.

1) It is stated that about 75000 bags of foodgrains have to be stocked in the Twin Nissen sheds erected near the Bangalore city Railway station whereon 1800 bags per day on an average will be received and that these sheds are now in charge of Special Revenue Inspectors on Rs. 50 + 10 CA. It is further stated that in view of the large number of bags which are being handled daily in these godowns it is quite necessary to have a supervising officer to check these transactions. The Auditor and Accounting Officer has stated that it would be desirable to have a Senior official of the Status of a Food Inspector to be in charge of supervision

SIR,

Subject: Appointment of a Storage Inspector for the Twin Nissen sheds in Bangalore City.

I have the honour to state that about 75,000 bags of food-grains have to be stocked in the Twin-Nissen sheds erected near the Bangalore City Railway station and the releases from these sheds aggregate to about 1800 bags per day on an average. These sheds are now in charge of 4 Special Revenue Inspectors on Rs.50/- plus Rs.10 C.A. p.m. In view of the large number of bags which are being handled daily in these godowns, it is quite necessary to have a supervising Officer to check these transactions.

2. In the circumstances, I request that sanction of Government may be kindly obtained to the appointment of a Storage Inspector on Rs.100/- plus Rs.20/- C.A. per mensem for attending to the supervision of the stocking, weighment, releases etc. in the Twin Nissen Sheds.

3. The Auditor & Accounting Officer of this Department who was consulted in the matter has expressed the following opinion -

"I agree that it would be desirable to have a senior official of the status of a Food Inspector to be in charge of the supervision of the Nissen huts. Sanction of Government may be obtained for the same"

Extract: "4. In this connection I submit that the Nissen sheds are now in charge of special Rev. Inspectors. As thousands of bags are being handled daily, and the measurements of these bags have to be done accurately, it is necessary to have a supervising officer to have a check over these transactions. The work in these godowns, which happens to be the largest stocking house of foodgrains, is very arduous and responsible for the proper supervision of stacking, weighment and releases etc. About 75,000 bags of grains have to be stocked in these godowns and the cost of an additional establishment for the purpose will be little, when compared to the efficient control and prevention of shortages and wastages now incurred."

SIR,

***Subject*:-** Appointment of a Storage Inspector for the Twin Nissen Sheds in Bangalore City.

With reference to your letter No.S.D.8471/A.207-45-2, dated 22-5-1946, on the above subject, I have the honour to state as follows:--

(i) The following establishment as per revised basic scale recommended to Government in this Office No.C1-1372/45-46, dated 17-12-45, has been employed for each of these sheds.

One Special Revenue Inspector on Rs.50/-* Rs.10/- Conveyance Allowance per month.

One Bill Clerk on Rs.30/- per month.

Four Measurers on Rs.15/- each per month.

These sheds are being inspected periodically by the Special Amildar and the Special Sheristedar as in the case of other Godowns, but owing to the other multifarious duties entrusted to them, these Officers are not in a positionto devote to this work the degree of attention that it requires in view of the large quantities of food grains stored in these sheds.

(ii) The Special Amildar, Transport Supervisor and Special Sheristedar attached to the Assistant Director of Food Supplies, Depots, can-not devote adequate attention to the effective supervision of these sheds in addition to their other work.

(iii) The appointment may be kindly sanctioned till the end of June 1947 in the first instance.

2. A copy of letter No.A.D.C1-8449/45-46, dated 5-6-1946, from the Assistant Director of Food Supplies, Depots, Bangalore, in the matter is enclosed for the information of Government.

No.A.D.C1. 8449. /45-46. Office of the Assistant Director of Food Supplies, Depot Section, Bangalore, Dated 5th June 1946.

To

The Director of Food Supplies in Mysore,

Bangalore.

Sir,

Ref:- No.C1.5593/45-46 dated 25th May 1946 forwarding copy of letter No.SD.8471/A.207-45-2 dated 22nd May 1946 from the Secretary to Government, Development Department (Food Supplies) regarding the appointment of storage Inspector for the Twin Nissen Sheds.

- - - - - - -

With reference to the above, I have the honour to state as follows:-

The total capacity of the Twin Nissen Sheds is about 75,000 bags and these form the most important storage centre of Food Grains in one group and the total releases per day are about 1,800 bags.

Only periodical inspections of these sheds are being conducted by the Special Amildar and the Special Sheristadar as in the case of other godowns. These officials have multifarious other items of work and cannot devote whole time attention at the Twin Nissen Sheds. The Special Amildar will have to inspect the several Godowns and Subgodowns scattered throughout the City and also attend to Office Work. He has to attend to several other duties of executive nature that may be entrusted to him.

The Special Sheristadar also attends to the inspection of godowns regarding the proper stacking of bags, conducting test checks of the various consignments and proper diversion of stocks to all the Subgodowns. He also attends to the work of checking the transaction of the Subgodowns. In addition to these he has multifarious minor works which keep him fully engaged. Since he is the only Special Sheristadar attached to this Section he cannot be placed entirely in charge of the Twin Nissen Sheds.

The work of the Goods Shed is heavy throughout and the Transport Supervisor is fully engaged in making arrangements for the removals and despatches of food grains. In fact the Transport Section is ~~all~~ working and on several occassions they have hardly any time to leave the Railway Goods Shed.

P.T.O.

It is not possible to entrust the Transport Supervisor with any other additional work such as the Supervision work of Twin Nissenx Shed.

For the present, each nissen shed is placed in charge of a Special Revenue Inspector on Rs.50/- plus 10/- CA. and he is assisted by one Bill Clerk on Rs.30/- and 4 measurers on Rs.15/- each, as in the case of other godowns. I have thoroughly examined the position and strongly feel the real necessity of a whole time official of the status of ~~xx~~ a Food Inspector to be in direct charge of these sheds. He will also be entrusted to be in charge of supervision of another big godown, R.G.D.No.I, which is very close to the Twin Nissen Sheds and its capacity is 12,000 bags.

Under these circumstances, I request you to kindly accord early sanction of Government to post a Food Inspector, on a permanent basis in view of the heavy and important nature of work involved in ~~x~~these godowns.

I have the honour to be,
Sir,
Your most obedient servant,

Asst. Director of Food Supplies,
Depot Section.
